

# It's business and pleasure at Glasswells

One of Glasswells best kept secrets is our meeting room conference facility on site at our Bury St Edmunds store, just off Newmarket Road. This quiet functional room is now available for business meetings and private gatherings free of charge for up to 12 guests.

Refreshments and finger buffet are made available on request throughout your meeting, with a choice of larger meals for smaller gatherings.

Situated away from the hustle and bustle of the main store, the air conditioned room is beautifully furnished in an elegant and plush style. A flipchart, TV and video are provided as standard equipment for delegate use and, it goes without saying that easy parking facilities come along with this convenient meeting place.

So whether you need a quiet, professional location for an important business meeting, training or briefing or simply wish to 'do lunch' with a few friends, a warm welcome awaits you at Glasswells.
